Parent volunteers will be required to help supervise our preteen dances and help with our Carnival. Extra help is greatly appreciated and makes for a fun and successful skating season. Having these pre teen dances with parent volunteers helping, helps keep our skating fees lower.

A number of our executives will be stepping down from their positions therefore we need parents to help run the skating club. Please contact Shirley MacPherson at [jandsmacpherson@eastlink.ca](mailto:jandsmacpherson@eastlink.ca)

Thank you,
